

Harvest Food Donations

We are asking for donations for the local TLC food bank based at Inchgarth Community Centre as part of our Harvest assembly. We are looking for dried or tinned goods such as pasta, tinned goods, cereals, tea, coffee (nothing too large and please check the expiry date on the bottom) to be sent in with your child between Wednesday 27th September and Tuesday 3rd October.

Traditionally the collected food was given to the Senior Citizens that attend our Trip and Tea but feedback from parents and children felt that it would be more beneficial to donate to the local food bank. A token contribution will be given to each of the senior citizens.

Thank you for your support.

Mrs Williamson
