

Grapheme Bingo!

1. Find your suitable grapheme list from the attachments.
2. Either copy out the graphemes on little squares of paper/card OR print and cut into strips.
3. Put the grapheme strips into a tub and mix them up!
4. Get paper or a whiteboard as a BINGO board and divide it into 6 boxes.
5. Look at the list of graphemes and write down 6 graphemes inside each of the 6 boxes (see pic).
6. Nominate a BINGO caller.
7. Have fun listening to the phonemes the caller says out loud and finding the matching grapheme on your BINGO board.
8. When you have scored out all 6 graphemes you are the winner!
9. Good luck!
