

10s add 1s game

1. First put a paper clip or hair slide in the middle of the CIRCLE 10s spinner
2. Then hold the clip down with a pencil and flick the clip to create a spinner!
3. Next spin on the circle (10s) spinner, write down the 10s number you land on
4. After that spin on the 10 sided shape (decagon) spinner & write this number down
5. Finally create a number sentence by adding these numbers together!

e.g.

Circle spinner lands on 40
Decagon spinner lands on 8

Write down the number
sentence $40 + 8 = 48$
