

19th February 2021

A very brief update this afternoon. I hope everyone received our plans for our Phased Return to School for ELC and P1-3 next week. If you have any questions, please email our school address: broomhill@aberdeencity.gov.uk

We are really looking forward to welcoming pupils back into school next week and are keeping everything crossed that things go well and everyone continues to follow the guidance in and around the community to keep numbers low and ensure that our P4-7 pupils can join us soon.

Accompanying this update today is a letter from Professor Jason Leitch, which reinforces the need for continued vigilance at home and reminds parents/carers that we need to continue to take things slowly. Please adhere to this guidance, continue to work from home where you can and ensure that we don't relax the rules at home, just because some pupils are back in school.

If we all continue to do our best to ensure that we keep this virus at bay, then we can all be back to some form of normality and welcome all of our pupils back to school as soon we can.

P4-7 – we miss you all and hope to see you all very soon. Keep going, you're all doing a fantastic job!

PE

On their return to school, pupils will continue to have PE outside in line with the Level 4 Guidance. Your child's teacher will confirm with you next week, when those times will be so that pupils can come to school dressed and equipped to be outside.

Gift for our Brilliant Broomhill pupils

Karen Baxter has delivered around 150 gifts to pupils this week, this is just a wee reminder if you would like your gift delivered to your home (following all safety guidance), please email Karen directly with your child's name, class and address to baxterkaren@hotmail.com

Please have a lovely weekend. Rest and recharge!

Take care and stay safe.

Mrs D Reid (Head Teacher)
